## NEWSLETTER

and medicines available in the stores, the Company is designing a software application for the state of Rajasthan. Similarly, to address the issues related to pilferage and delays, resulting during transportation of Milk tankers, the Company is deploying its web based Vehicle Tracking System for Ajmer Dairy.

### Customer Training Program

Training on newly launched product EMAT was successfully imparted to chilling center in-charge and Quality personnel of Milk Unions of Rajasthan.

### Products Demonstration

The newly developed Electronic Milk Adulteration Tester (EMAT) was successfully demonstrated at various Milk plants in Punjab region - Faridkot, Amritsar, Gurdaspur, Sangrur, under MILKLFED, Punjab. The product was also demonstrated at Karnal, Junagarh and Moradabad Milk Plants during the quarter.

### Achievements : Renewable Energy Division

The Company has continued to consolidate its presence in the Eastern region and executed orders for Solar Water Pumping systems in the state of Bihar, under BREDA and also undertook installation of SPV Submersible Pumps in the state of Madhya Pradesh.

In respect of the prestigious order of Rural Development Department of Uttar Pradesh for Lohiya Gramin Awas Yojana, the Company provided more than 14000 nos. SPV Systems (LED based) for rural housing, during the quarter.

The Company has bagged a prestigious order from Northern Railway, Jammu for the turnkey project of 1 MWp Solar Plant at Shri Mata Vaishno Devi Katra Railway Station, J&K.

MD, REIL, Mr. A. K. Jain with Chairman, Railway Board, Mr. Arunendra Kumar, during inauguration of commencement of work for 1 MW Solar plant, at Shri Mata Vaishno Devi Katra Railway Station, J&K, on 28.10.2014.

The Power Plant will be installed on roof shelters of the platform and its buildings. This step has been

taken in the direction to establish a world class infrastructure at this station as it serves the purpose for the pilgrims to reach holy cave of Shri Mata Vaishno Devi from all parts of the country.

The Company signed MOU with POWERGRID Corporation for installation - commissioning of SPV Street Lighting systems (SLS) in the state of Uttar Pradesh under CSR activity of POWERGRID.

An order was also received for design, supply and installation-commissioning of 30KWp SPV Power plant at a Milk Union in Kerala under KCMF (affiliated to the Kerala Co-operative Milk Marketing Federation Ltd).

### REIL SIGNED MOU WITH EESL FOR ENERGY EFFICIENCY PROJECTS

REIL signed a MoU with Energy Efficiency Services Limited (EESL), New Delhi, for jointly working for identification, development and implementation of Energy Efficiency Projects for demand side measures including Municipal functions, Agriculture, Public Building, Lighting, Industrial etc.

MoU Signing in the gracious presence of Mr. A.K. Jain, MD REIL and Mr. Saurabh Kumar, MD, EESL on 16.10.2014 at New Delhi.

The MoU envisages creating awareness about the energy efficiency and upgrade the existing conventional lighting systems/ equipment with energy efficient LED lights and high efficiency star rated equipment.

### ISO CERTIFICATION-FMC AT ANAND

The Field Maintenance Centre, Amul Dairy, Anand has been accredited with recommendation for ISO 9001 Certification (QMS) by DNV-GL for "Installation, Commissioning & Servicing of Agro Dairy Electronic Equipment/Systems such as Milk Collection & Testing System". It would help REIL to gain more customer satisfaction with the implementation of ISO procedures.

Ms. Keerti Nair, 3<sup>rd</sup> from left

**VIGILANCE AWARENESS WEEK**

The Vigilance Awareness Week 2014 was observed from 28.10.2014 to 02.11.2014, and commenced with the administration of pledge by the Managing Director, REIL. The theme of the week was “Combating Corruption : Technology as an Enabler”.

A slogan writing competition in English & Hindi and Presentation Competition were organized during the week. With the help of presentation employees highlighted the use of technology in combating corruption and transparency in execution of their work and also advised other employees to include the same in their daily activities.

**Proceedings in the Swachh Bharat Abhiyaan and Celebration of Gandhi Jayanti**

In continuation to the cleanliness drive held in the Company from 25.09.2014 to 02.10.2014, on the noble thoughts of a clean India dream by our beloved Father of Nation Mahatma Gandhi, various programmes were organized in the factory premises, to celebrate the Birth Anniversary of Mahatma Gandhi, and late Shri Lal Bhadur Shastri, and administration of the 'Swachhata Shapath' to the employees, to mark Swachh Bharat Abhiyan.

The Managing Director, along with representatives from among officers, supervisors, workers and specifically the housekeeping employees, lighted the lamp on this occasion. The MD alongwith the staff offered floral tributes to our late leaders.

Paying Homage to the Heroes of Freedom

A drive was made to identify the various waste lying around the campus and the same were moved to the designated locations. The Company has also made efforts at disposing the e-waste and industrial waste in the organization and the employee were refreshed on the same to practice it on a sustained basis.

**Cleanliness Drive at REIL premises**

This was followed by performance of a 'Nukkad-Natak' by the Company employees on the theme of collective persuasion and innovative thinking to create peer-pressure on the people to keep the surroundings clean and litter-free. The young personnel, from both genders, exhibited great enthusiasm in participating in the event.

**Nukkad Natak**

The program ended with the administration of the 'Swachhata Shapath' to the employees, by the Managing Director of the Company to mark the Swachh Bharat Abhiyan.

**Administration of pledge**

The Employees actively participated in cleanliness drive and also participated in essay competition organized on the topic as mentioned below.

**“सभी को अपनी सफाई स्वयं करनी चाहिए” दैनिक जीवन में स्वच्छता का महत्व**

### **Corporate Social Responsibility (CSR)**

Under CSR, REIL have organized four medical camps during this quarter at following places.

Government Sr. Sec. School, Meenawala, Sirsi Road, Jaipur on 19.11.2014; Purohit Harinarayan Government Sr. Sec. School, Sirsi, Jaipur on 25.11.2014; Prayas, J-5A, Jhalana Institutional Area, Jaipur on 12.12.2014; Umang School, Mansarovar, Jaipur on 19.12.2014.

**Glimpse of the Medical Camp**

These camps have benefitted 621 students in the age group of 06 to 38 years. Health kits containing medicines, fruits and juices were also distributed to the students and they were also told about the benefits of taking it and importance of good health in our lives.

A SPV Power Pack of 1.12 KWp capacity, installed at the post office Vaishali Nagar, Jaipur, was inaugurated by Joint Secretary, Department of Heavy Industry, MoHI&PE, GoI, Mr. Vishvajit Sahay, during his visit to Jaipur on 24.12.2014.

**Joint Secretary, Department of Heavy Industry, MoHI&PE, GoI, Mr. Vishvajit Sahay & MD, Mr. A.K. Jain inaugurating the CSR activity.**

As the Post Offices have been equipped with computers to provide automated postal and CBS services, the failure of power over long durations, hampers the work. The installation of power pack shall support sustained operations in the events of long/ intermittent grid-power failures.
