

National Energy Conservation Award 2017 by Hon'ble President of India

Editor's Desk

May each day of the New Year bring you Happiness, Prosperity & Satisfaction...
Happy New Year 2018

The third quarter of the FY 2017-18 has been effectively rolled out.

The Company added many awards to its basket at National and state levels for its sustained efforts in Energy Conservation, Manufacturing & Processing and Healthy employee - employer relations.

Smart initiatives eased working of PUC Centres followed by business execution and orders for solar, dairy and other projects. REIL remained active in government programs like Swachhta Pakhwada, Vigilance Awareness etc. and as a part of global efforts got associated with National Focal Points (NFP) from International Solar Alliance.

We thank all stakeholders for their support and active involvement with REIL. We are geared up towards achieving targets for the year.

Gist of the Activities :

- President Award

- Staff activities

Hon'ble President of India, Shri Ram Nath Kovind awarded the "National Energy Conservation Award -2017" to MD REIL at Vigyan Bhawan, New Delhi on 14.12.2017, in recognition to REIL's efforts in Energy Conservation in Office & BPO Building Category.

"The National Energy Conservation Award (NECA) 2017" is a result of saving approximately 1 lakh unit of Electricity in the year 2016-17 in office building and manufacturing areas as compared to the year 2015-16. This has been achieved by replacing the existing manufacturing equipment with energy efficient equipment and introducing improvement in methods of manufacturing process and in office areas, to save electricity.

On this occasion Hon'ble Minister of State (Independent Charge) for Power and New & Renewable Energy, Shri R.K. Singh, Secretary (MNRE), Shri Anand Kumar, Secretary (Power), Shri Ajay Kumar Bhalla, and other eminent dignitaries were also present.

REIL Team with MD during NECA 2017

The efforts in the field of energy conservation have been recognized at state level also by awarding "Rajasthan Energy Conservation Award (RECA) - 2017" in Industry-Medium Scale & Government Building category.

Hon'ble Minister of Public Works and Transport Department, Government of Rajasthan, Shri Yunus Khan inaugurated the Online PUC Center Scheme installed by REIL

Hon'ble Minister, Public Works & Transport Department and MD REIL during inauguration of mobile app and website developed by REIL as per Rajasthan Motor-vehicle Pollution Testing Center Scheme (Online) – 2017

In continuation to its efforts towards environmental initiatives, the mobile app (CPUC) and website (<https://rajasthanpuc.in>), developed by REIL, as per Rajasthan Motor-vehicle Pollution Testing Center Scheme (Online) – 2017 was inaugurated by Shri Yunus Khan, Hon'ble Minister, Public Works and Transport Department, Government of Rajasthan, during the quarter. REIL, on the initiative of Government of India and Government of Rajasthan, has presented this full-proof solution for the monitoring of PUC Centers through central software and server. This solution will certainly result into a remarkable decrease in overall vehicular pollution and ensure the way for a clean and healthy environment for the future generations.

Business Highlights

Dairy Electronics

The Company through its assiduous efforts has received major orders about 1200 nos. for AMCU, DPMCU and GPRS based DPU from milk co-operatives of Gujarat North Region, Uttar Pradesh and Rajasthan that will be benefiting over 1 Lakh people and also deployed 500 numbers of DPMCU(s) and AMCU(s) in Jharkhand and West Bengal during the quarter.

Automatic Milk Collection Unit (AMCU) at work in Sangrur (North Region)

The Company is playing very critical role by providing Milk Collection Units which gives the transparency in raw milk testing and collection and empowering the digital India mission.

Digitization-other initiatives

Providing online solutions for its products/projects is another vital area of REIL, wherein it's IT division has done digitization of over 55000 examination forms of Rajasthan State Open School; provided the services as state level agency to Election Department, Rajasthan for 4.67 Crore voters data for 200 assembly constituencies; order for design, development & implementation of online web-based application from Directorate of Gopalan, Government of Rajasthan.

SPV Street Lighting System at a Village

Customer Training Program

The Company under beneficiary scheme has imparted 2753 mandays of training for operation of milk analyzers in Gujarat, Southern, Rajasthan and Northern regions.

Renewable Energy

To ensure clean, safe drinking water for children in school, the Company will deploy 1.1 kWp Solar RO water systems under UPNEDA initiative, in 581 primary schools in villages covering 5 districts of Uttar Pradesh that shall be benefiting over 80,000 children.

It also received another order for supply, installation and commissioning of 1200 numbers of SPV Power packs of 250 Wp to be deployed in un-electrified villages of Uttar Pradesh under Pandit Deendayal Upadhyaya Gram Jyoti Yojana. Beneficiaries will be provided with 5 LED Lights and one DC Fan.

REIL received orders and successfully deployed Solar PV Water Pumping Systems in the forest area for availability of drinking water for animals and forest staff posted in various chowkis.

Under PSU synergy and to address community lighting, over 3000 SPV based LED Street Lighting Systems have been deployed in far flung areas of Jharkhand, Bihar, UP, Haryana and Rajasthan, thus ensuring safety and security in

SPV Water Pumping System installed in forest area

these areas, extended night life for kutir udhyog and children education contributing to the socio-economic growth of rural masses.

The Company signed MoU for installation of 1000 Solar Street Lighting Systems with Sygenta in the gracious presence of Shri P. P. Choudhary, Hon'ble Minister of State, Ministry of Law & Justice, and Ministry of Corporate Affairs and MD REIL.

MoU between REIL & Sygenta

These SLS will be supplied as a part of CSR activity of Sygenta for energy security in nearly 150 villages of Pali district.

CPSE(s) continued to have faith in REIL for execution of their CSR projects hence REIL received orders for about 2500 nos. SLS and also signed MoU with Airport authority of India (AAI) for providing SPV Power packs in various government schools in Ajmer.

New Projects

The Ministry of Urban Development is evaluating the cleanliness of cities and releasing the Swachh Survekshan ranking

to all major cities, as a part of Swachh Bharat Abhiyan, and in line with this **Jaipur Nagar Nigam placed an order for Biometric Time attendance Machines to REIL to be deployed in each ward of Jaipur city for proper monitoring of civic employees and to make mission a success.**

Under recently inaugurated project of the Company as per **Rajasthan Motor-vehicle Pollution Testing Center Scheme (Online) – 2017, as on date 6.07 Lakh vehicles certificates** have already been generated through this solution. The survey to implement CPUCC project in whole Rajasthan is also in progress.

In line with this, the Company arranged mobile van for certifying vehicles owners at REIL wherein 86 vehicles were tested & issued PUC certificates.

REIL in its role as Project Management Consultant (PMC) for EESL has successfully installed 16300 Nos. LED lights under Street Light National Program (SLNP) during the quarter. The cumulative figure has reached up to 2.94 Lakh lights in 17 ULBs of Rajasthan namely Ajmer, Bikaner, Jodhpur, Udaipur, Kota, Alwar, Pushkar, Churu, Sawaimadhopur, Pali, Mount Abu, Baran, Ratangarh, Ratannagar, Bhiwadi, Dholpur, Jhalrapatan.

Excellent MoU Rating for FY 2016-17

The Department of Public Enterprises, Government of India has awarded “Excellent” MoU rating for overall performance in the year 2016-17.

The Company has received “Excellent” rating on achieving the MoU targets. The targets were set covering various parameters with regards to financial as well as non-financial areas such as Turnover, Profitability, Research & Development, Human Resource Development, Capacity Addition, Production etc.
