

Editor's Desk

The Second quarter of the FY 2018-19 has been effectively rolled out while having various proud moments with VIPs and dignitaries inaugurating REIL's prestigious projects undertaken in line with Government's key missions that are bringing big change to the society and lives of rural as well as urban India.

While doing business activities, Company remained so active in National/International level events and shared its vast experience through demonstrations.

Inside Campus, it observed enthusiastic participation of employees in Swaccha Pakhwada and Hindi Pakhwada activities in line with government guidelines.

We thank all stakeholders for support & active involvement with REIL. We are geared up towards achieving targets for the year ahead.

Gist of the Activities:

- Inauguration of India's first Solar Cooperative - MSPICE
- Inauguration of EV Charging Infrastructure
- Business Highlights
- Recognition & Awards
- Participations
- Staff Activities

REIL-NDDDB SETUP FIRST SOLAR COOPERATIVE AT MUJKUVA VILLAGE IN GUJARAT

Hon'ble Prime Minister, Shri Narendra Modi inaugurating the project on 30.09.2018 at Gujarat

It is proud moment that Hon'ble Prime Minister, Shri Narendra Modi, inaugurated India's First Solar Cooperative, Mujkuva Solar Producer Irrigators Cooperative Enterprise (MSPICE), at Mujkuva Gujarat which is conceived and implemented by REIL under the auspices of National Dairy Development Board (NDDDB) with integrated Solar Capacity of 150 KWp with 8 *15 HP and 3 *10 HP DC pumps and has state of art grid-connected infrastructure in and around farms with stack of 11 farmers.

Farmers have already made the Country proud by making it world's largest Milk producer in year 1998 and still retaining its position. Now, this project shall bring radical changes in rural power scenario and farmers shall emerge as Net Electricity Exporter instead of highly subsidized consumer and when scaled up, the same will bring long term sustainability achieving **the objective of doubling the farmer's income.**

Inauguration of Electrical Vehicle (EV) Charging Infrastructure

Inauguration of AC EV Charging infrastructure by Shri Anant G. Geete, Hon'ble Minister of Heavy Industries and Public Enterprises, Government of India at Dwarka, Sector 10 Metro Station, New Delhi on 06.09.2018

Inauguration of EV Charging Infrastructure by Hon'ble Dr. A. R. Sihag, Secretary, Department of Heavy Industry, GoI, at Ministry of Labor and Employment, Shram Shakti Bhawan, Delhi (Left) and South Delhi Municipal Corporation, Ambedkar Stadium (Right) on 26.09.2018 & 27.09.2018 respectively

REIL pursued its commitment under FAME India to establish charging infrastructure for e-vehicles and has successfully set-up 97 Charging stations (AC&DC Smart) at the end of quarter, out of 200 planned in 3 cities namely Jaipur, New Delhi and Chandigarh.

Project was also aligned with Swachhta Hi Sewa- Abhiyaan. The Company has deployed Eighteen Charging stations (AC Smart) at Dwarka Sector 10 Metro Station, New Delhi, Three at Shram Shakti Bhawan of Ministry of labor and Employment, New Delhi and Fifteen Charging Stations (AC&DC Smart) at different places in Southern Delhi Municipal Corporation. **The Charging infrastructure at Dwarka was inaugurated by Shri Anant G. Geete, Hon'ble Minister, MoHI&PE; at Shram Shakti Bhawan by Dr. A. R. Sihag, Secretary DHI & Shri Heeralal Samaria, Secretary, Ministry of labour and Employment, GoI, and at SDMC by Dr. A.R Sihag, Secretary DHI in the august presence of Shri Vishvajit Sahay, Joint Secretary, DHI and other dignitaries at all three events.**

The charging stations have been set up by REIL to reduce the dependence on fossil fuels and to promote clean environment. The Hon'ble Minister appreciated the efforts of REIL and informed that around 400 e-rickshaws may be charged in one day through Charging infrastructure at Dwarka. Hon'ble Secretary, DHI also appreciated the efforts of the REIL and said that the charging infrastructure installed by REIL will facilitate in the promotion and dissemination of e-mobility in the country.

All installed 200 chargers will be connected to the app-based Central Monitoring System, which will provide online information of the availability and performance / operational parameters of each charger.

Business Highlights

Dairy Electronics

During the quarter, the Company received major orders of AMCU, DPMCU, DPU from various milk cooperatives of North Zone, South Zone, Rajasthan and Gujarat.

The Company continued to make efforts to bring transparency in the milk collection process and digital dairying and received order for about 1400 Automatic Milk Collection Unit (AMCUs) from various milk unions of Punjab, Southern Region, Rajasthan and Madhya Pradesh and for software upgradation in existing 365 DPMcUs from Ropar in Northern region, thus doing every possible effort to ensure fair payment for farmers and safe milk for consumers.

Milk Collection at society in Punjab

Energy security in dairy sector is also emerging as most viable option and lot many opportunities are ahead in entire dairy chain for integration with solar. REIL has been addressing this already and received order for more than 100 SPV based DPMcUs from Rajasthan during the quarter.

Digitization-other initiative

The Company's IT division continued to provide services for its various projects/products to ensure smooth working for various departments. It provided services as State Level Agency, SLA to Election Department, Government of Rajasthan, online

10MW Solar power plant installed by REIL as Expert CPSE

data processing activities of 64000 candidates for Rajasthan State Open School (RSOS) and also received order for digitization of more than 20 Lakh documents.

Customer Training Program

REIL is dedicated to upgrade Skills on a large scale and grassroot levels to improve the quality of operations, imparted training to 2117 nos. of regional workers and milk society secretaries hence benefitting more than 1000 villages and improve their livelihood.

Training to secretaries of milk societies

Renewable Energy

The project 10MW Grid connected Solar Power Plant taken-up by REIL, as an Expert CPSE and Project Management Consultant (PMC), to meet the Renewable Power obligation (RPO) for Gujarat region of ONGC, was inaugurated during

the quarter. This plant is estimated to offset 1.53 Cr kg equivalent of CO₂ in the atmosphere.

The green initiatives for agriculture sector is now again on roll, received orders, supplied and installed 67 SPV Water Pumping systems for Rajasthan Horticulture development society.

SPV Water Pumping system installed at Nagaur under RHDS Solar pump project 2018-19

Under Rooftop segment with net-metering, Company has received orders for installation of 350 KWp SPV Grid-connected Power Plants on Government colleges/Universities in Rajasthan. After successful pilot of Solar project in Department of Forest, it has been decided by the department to go green and placed an order for supply & installation of SPV Power Plants of various capacities totaling 360KWp on their 27 buildings across the state.

In continuation to addressing the Home Lighting segment, REIL has got yet another opportunity from REC Power Distribution Company to light 5400 houses under SAUBHAGYA scheme by supplying systems in various villages of Arunachal Pradesh for fulfilling their lighting needs and other household needs.

Under PSU CSR, the customers continued to show faith in the Company for execution of their CSR projects. SPV LED Street Lighting Systems are under installation in far flung areas of the country including Bihar, UP, Rajasthan and Telangana. New orders for about 2600 SPV SLS have been received from various organizations during the quarter.

Visit to sites at Kota

Shri A.K Jain, MD REIL and Shri Ashok Maheshwari, CVO REIL visited Solar Pump installation site in district Bundi and Rajasthan Technical University, Kota where Company has installed 300kWp Solar rooftop Power plant.

Visit to SPV Drinking water system under PHED, at Bundi

Hon'ble Vice Chancellor of the university, appreciated the project and shared his view regarding excellent energy generation from this plant. In the month of april, recorded 1648 units in a day which is too good and university saved Rs. 18.30 lakh in last 7 months.

(L to R), Mr. Harihar Sukla, Shareholder, Ms. Anupama Sharma, Director, Mr. M.L. Bhargava, Independent Director, Mr. Nirmal Kumar Jain, Independent Director, Mr. Rajeeva Swarup, Chairman, Mr. A.K. Jain, Managing Director, Mr. Vijay Pal Singh, Shareholder and Mr. Subhash Agrawal, CFO REIL during AGM.

University further plans to install 1MW SPV Power plant at its campus.

Visit to SPV power plants at Kota Technical University

New Projects

During the quarter, the Company in its role as Project Management Consultant (PMC) & Annual Maintenance Consultant (AMC) for EESL has successfully installed 8267 Nos. LED lights, totaling to more than three Lakhlights under Street Light National Program (SLNP); in Newly diversified areas like Networking of CPUCC centers, total 9.49 lakh vehicles certificates have been generated during the quarter through online CPUCC and the project is successfully implemented in Rajasthan.

REIL signed an agreement with Jaipur Metro Rail Corporation, Jaipur (JMRCL) for supply and installation of Electric Vehicle (EV) Charging Stations. The agreement was signed by General Manager (Technical), REIL and Executive Director (Ops) JMRCL in gracious presence of MD REIL and other senior officers.

MoU signing between REIL and JMRCL for EV Charging stations

ANNUAL GENERAL MEETING REIL declared dividend of Rs 2.95 Crore for the FY 2017-18

REIL declared 20% Dividend to its Share Holders for the year 2017-18, in its 36th Annual General Meeting held on 28.09.2018. It was informed to the shareholders that the Company has achieved a record turnover of Rs. 244.80 Crore.

Recognition & Awards

PSE Excellence Award 2017

Shri A. K. Jain, MD REIL receiving PSE Excellence Award 2017 on 29.08.2018 at Delhi

The Company received prestigious “PSE Excellence Award 2017” in the category of CSR & sustainability in a ceremony organized by Indian Chamber of Commerce at New Delhi to recognize the contribution of Public Sector Enterprises in the growth of the country.

On this occasion, Shri A. K. Jain, MD REIL has also been felicitated for his outstanding contribution to the Indian Public Sector Industry.

राष्ट्रकवि रामधारी सिंह दिनकर हिंदी सेवा सम्मान – 2018

श्री ए. के. जैन, प्रबन्ध निदेशक रील को हिंदी भाषा के प्रचार एवं प्रसार में महती भूमिका के लिये “हिन्दी दिवस” 14 सितम्बर 2018 को हिंदी परिषद ने केंद्रीय राजभाषा विभाग एवं मानव संसाधन मंत्रालय के तत्वाधान में नई दिल्ली में आयोजित एक समारोह में “राष्ट्रकवि रामधारी सिंह दिनकर हिंदी सेवा सम्मान-2018” से नवाज़ा गया। यह सम्मान भारत सरकार के माननीय राज्य मंत्री (संसदीय मामले एवं सांख्यिकी और कार्यान्वयन मंत्रालय) श्री विजय गोयल द्वारा अन्य गणमान्य अतिथियों की गरिमामयी उपस्थिति में दिया गया।

श्री ए. के. जैन, प्रबन्ध निदेशक रील को “राष्ट्रकवि रामधारी सिंह दिनकर हिंदी सेवा सम्मान-2018”

Jaipur by Nite Marathon & Car Rally

REIL's employees actively took part in Jaipur by Nite Marathon on 25.08.2018 & in Women's Car Rally on 01.09.2018.

Renewable Energy Capacity Building Program for Master Trainers from ISA member countries @REIL

Master trainers from ISA member countries visited REIL & witnessed the live demonstration of product designed and manufactured by the Company, for the Renewable Energy and Dairy sector. They took keen interest in the technologies, variety of products and their applications for upliftment of rural areas.

These master trainers will go back and train more people in their home country to promote the solar industry, employment & investments to achieve the objective of International Solar Alliance (ISA).

Team of Master Trainers from ISA Member Countries at REIL on 22.09.2018

On this occasion, Managing Director REIL, Shri A.K Jain thanked the Master trainers and shared with them the clean energy solutions that can bring

important development outcomes in combating climate change and environment issues globally while bringing sustainability in energy deprived areas.

PARTICIPATIONS

REI EXPO 2018

Shri A. K. Jain, MD REIL delivered keynote address during the conference on 'Make in India session by Bridge to India' at REI Expo 2018. He discussed the impact of Make in India initiative on RE sector and apprised the audience by its future outlook while considering current govt. policies and frameworks such as safeguard & anti-dumping duties, project development tenders and DCR for PSU tenders etc.

He emphasized on important aspects of quality manufacturing to maintain the sustainability to ensure long term feasibility of solar projects and how REIL is geared up to work in line with Make in India mission. Company actively took part in REI Expo 2018 and displayed its journey of innovations on its stall during 18.09.2018 to 20.09.2018.

SMART CITY EXPO JAIPUR 2018

Shri Hardeep Singh Puri, Hon'ble Minister of State (Independent Charge), Ministry of Housing and Urban Affairs, India & Shri Shrichand Kriplani, Minister for Housing & Urban Development, Government of Rajasthan, Shri Vaibhav Galriya, Commissioner JDA & Shri Harihar Sukla, Under Secretary, DHI, GoI visited REIL stall and EV Charging station which was demonstrated by REIL at Smart City Expo, JECC, Jaipur during 26.09.2018 to 28.09.2018.

Shri A. K. Jain, MD REIL addressed the plenary session on 'A low-carbon future: Energy transition in the Smart City'. He emphasized on the ways in achieving India's goal of Low Carbon Future and making cities smarter through eco-friendly technologies and shared the role of REIL in making country SMART & CLEAN further focused on 6 dimensions of transforming the cities e.g. smart technology, smart mobility, smart environment, smart people, smart living.

SMART AND GREEN LIVEABLE CITIES

Shri A. K Jain, MD REIL delivered keynote address during the conference on 'Smart & Green Liveable Cities' organized by CII on 26.07.2018 at SMS Convention Center, Jaipur. He emphasized on the ways and means through which we can truly make our cities Smart and Green Livable Cities' that included Renewable Energy programmes, Net-zero concept for buildings, e-mobility, Swachhta, Internet of things, Artificial Intelligence and e-waste management.

He also shared few case studies that are helping in making cities smarter. Solarization of Katra Railway Station, Cochin Airport and Solarized homes for Urbanized poor, Rooftop solar on government buildings in Jaipur, fast charging stations for e-vehicles are among success stories.

9th NATIONAL SEMINAR ON "ENTREPRENEURSHIP IN DAIRY & FOOD INDUSTRY"

Company actively participated in 9th National Seminar on "Entrepreneurship in Dairy & Food Industry : Concept to Commercialization" at National Dairy Research Institute (NDRI), Karnal from 14.09.2018 to 16.09.2018. During the seminar Company employees had interacted directly with the customers & demonstrated its innovative product and valuable experience of more than three decades in providing solutions for dairying while embracing Government ambitious mission of Doubling Farmers Income by 2022.

ISA: FIRST MASTER TRAINING COURSE UNDER TEN POINT PROGRAMME

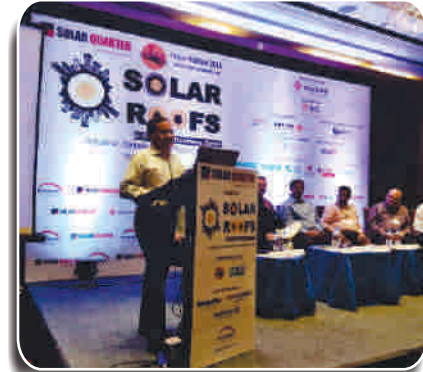

Shri A. K. Jain, MD REIL delivered keynote address at International Solar Alliance (ISA) Secretariat, Delhi on 10.09.2018 during the inaugural session of "First Master Training Course under Ten Point Programme" which was announced by our Hon'ble PM on 11th March 2018. MD REIL shared that how REIL has achieved its milestones in lighting houses of many poor people through Solar in last few years while strengthening its reach to the grassroots people. He focused on to increase the diffusion of solar energy in ISA member countries through developing common standards, taking solar power applications to scale to improve energy access and livelihoods of marginal and unserved communities.

SOLAR ROOFS 2018

Shri A. K. Jain, MD REIL delivered opening remarks and addressed the gathering during "Rooftop Solar: Policies and Business" in Solar Roofs, Jaipur edition organized by Solar Quarter at Holiday Inn, Jaipur on 20.07.2018

During his visionary speech he highlighted the role of Rajasthan as leading state in many perspectives viz. Solar potential, solar water pumping initiatives, net-metering policy thereby setting example for other states as well. He enumerated the reasons behind sluggish growth of rooftop solar & he suggested the ways for improvising various net metering issues between discoms and high end consumers in order to achieve solar rooftop potential and to simultaneously develop a sustainable methodology that could be replicated not only in country itself but worldwide also.

SEMINAR ON ROLE OF TECHNOLOGY IN DOUBLING THE DAIRY FARMER INCOME

Company actively participated in a seminar on "Role of Technology in doubling the Dairy Farmer Income" at NDDDB Anand on 10.09.2018 & demonstrated a live operation of 5 HP Solar Water Pumping System to the farmers and audience. Hon'ble Union Agriculture Minister Shri Radha Mohan Singh & other dignitaries visited company's stall and appreciated the efforts in development of technologies for the benefit of rural masses.

DEMONSTRATION OF REIL PRODUCTS ON VARIOUS OCCASIONS

Company participated in Tarnetar Agriculture Festival at Gujarat during 12.09.2018 to 14.09.2018 & displayed its product and innovations while working in Mission mode aligning with National Missions to ensure food safety, energy security, access to information and economic freedom, which are necessary for empowering our rural brethren and the nation at large.

Company also demonstrated its product range like EMAT, AEMT to aware people while sharing the benefits, at NDDDB Anand on 02.09.2018.

NATIONAL WORKSHOP & EXHIBITION ON "SKILLING & UP-SKILLING REQUIREMENT OF HUMAN RESOURCE IN IMPLEMENTING SMART & SAFE SURVEILLANCE TECHNOLOGY

Company participated in the National Workshop & Exhibition on "Skilling & Up-Skilling requirement of Human Resource in implementing Smart & Safe Surveillance Technology" held at Vigyan Bhavan, New Delhi on 05.07.2018 organized by Instrumentation, Automation, Surveillance & Communication Sector Skill Council (IASC), New Delhi. In the workshop, the division has emphasized on the skilling of the manpower & contribution and activities carried out in line with the National Skill Mission were also shared along with a presentation on "Role of PSU's in Skill Eco System" during the workshop.

अखिल भारतीय दृष्टिबाधित महिला संगीत प्रतियोगिता - 29.09.2018 से 30.09.2018

लुई-ब्रेल दृष्टिहीन विकास संस्थान, जयपुर द्वारा आयोजित अखिल भारतीय दृष्टिबाधित महिला संगीत प्रतियोगिता के समारोह में रील के प्रबंध निदेशक एवं अधिशासी निदेशक ने कार्यक्रम की अध्यक्षता करते हुए अन्य गणमान्य अधिकारियों के साथ मंच साझा किया। प्रबंध निदेशक ने आयोजकों को इस कार्यक्रम के लिए हार्दिक शुभकामनाएं दीं और संपूर्ण भारत से इस कार्यक्रम में शिरकत करने आई दृष्टिबाधित महिला संगीत प्रतियोगियों की विजेताओं को पुरस्कार वितरित किये और उनका उत्साहवर्धन किया।

स्टाफ गतिविधियां

प्रशिक्षण

तिमाही के दौरान विभिन्न डोमेन पर आंतरिक और बाहरी स्तर पर कम्पनी कर्मचारियों के लिए कुल 5 प्रशिक्षण कार्य दिवस आयोजित किए गए। इस दौरान **workshop on gender equality at workplace**, राजभाषा हिन्दी को कार्यालय गतिविधियों में सक्रिय रूप से उपयोग पर कार्यशाला इत्यादि जैसे विषयों पर कम्पनी कर्मचारियों को प्रशिक्षण दिया गया।

पदोन्नति

02.07.2018 को निम्नलिखित कर्मचारियों को पदोन्नति दी गई।

- श्री पीयूष पालीवाल, अधिशाषी निदेशक के पद पर।
- श्री वी. धर्माधिकारी, श्री एस. एल. सुथार, श्री वी. के. शर्मा, श्री जेम्स राजोरिया एवं श्री एस. वी. मैसी, कनिष्ठ अभियन्ता-I के पद पर।
- श्रीमती रोहिणी कुट्टी अम्मा, श्री के. के. शर्मा एवं सुश्री रजनी पराशर, सहायक अधिकारी के पद पर।
- श्री बिजुमोहन टी. जोसफ, श्री जी. एल. गोचर, श्री जॉर्ज कुट्टी वी.ए., श्री रामेश्वर सिंह, श्री गुरु भक्त एवं श्री राजेन्द्र एस. धाकड़, कनिष्ठ अभियन्ता-II के पद पर।
- श्री मनोज कुमार जांगिड़, श्री विरेन्द्र सिंह एवं श्री प्रमोद कुमार टेलर वरिष्ठ तकनीकी सहायक के पद पर।
- श्री रामधन रेंगर, श्री एम कैलाशम, श्री गोपाल यादव, श्री सुनील

कुमार जैन एवं श्री विजय सिंह, सीनियर हेड वर्क अटेंडेंट के पद पर।

- श्री शक्ति सिंह सैनी एवं श्री रामेश्वर लाल, तकनीकी सहायक के पद पर।
- श्री जितेन्द्र कुमार शर्मा, श्री रामजीत सिंह गुर्जर, श्री अशोक कुमार टाइटर, श्री नन्द किशोर, श्री चक्रवती सिंह राठौड़ एवं श्री शिरीष पाठक, तकनीशियन 'ए' के पद पर।

कंपनी उन्हें अपनी मान्यता पर बधाई एवं उनके करियर में निरंतर सफलताओं के लिए शुभकामनाएं देती है।

सेवानिवृत्ति समारोह

श्री ए. के. शारदा, अधिशाषी निदेशक 31.08.2018 को कम्पनी की सेवा से सेवानिवृत्त हुए।

उन्होंने 36 वर्षों तक कंपनी के सामग्री प्रबंधन, सोलर उत्पादन, वर्क्स, क्यू.ए., तकनीकी, का. एवं औ. सं. विभाग में ईमानदारी के साथ समर्पित प्रयासों से कार्य किया व कम्पनी के विकास में अपना महत्वपूर्ण योगदान दिया।
