Implementation of 42MW Rooftop Solar Projects at Government's Buildings under achievement linked incentive scheme- Make in India initiative connecting stakeholders

In line with Government's National Solar Mission to achieve 40 GW Grid Connected Rooftop Solar, Company for the first time in India, organized workshop in the presence of officials of its allocated 10 ministries & selected developers for MNRE's achievement linked incentive scheme on 10.01.2019 at SCOPE Convention Centre, New Delhi which was inaugurated by Shri A. K. Jain, MD REIL.

Shri Piyush Paliwal, ED, REIL welcomed officials from the allocated ministries & their attached officials, MNRE and developers. The workshop received overwhelms response by way of participation of nearly 60 personnel from these offices.

Shri J. K. Jethani, Director, MNRE as special guest thanked REIL for the initiative taken to organize such workshop and gathering all stakeholders to overcome the doubts/clarifications and move ahead for immediate signing of PPA. MD REIL also apprised the REIL working as expert CPSE and status of PMC of completed RTS projects in CAPEX/RESCO model under allotted ministries. The workshop addressed challenges in implementation of Grid Connected RTS projects by way of interactive sessions and fruitful discussions amongst stakeholders to expedite & complete the projects in given timeline of MNRE. The issues highlighted by different stakeholders were deliberated in length and were resolved to maximum extend subjected to the guidelines of MNRE and to adhere project completion deadline. The present officials from ministries agreed to take immediate steps to get PPAs signed on priority.

Such initiatives can enhance the speed in rolling out solar solutions across the stakeholders and beneficiaries.

Business Highlights

The unaudited results for FY 2018-19 are now available. The Company has recorded a turnover of Rs. 270 Crore at the end of fourth quarter as on 31st March 2019, showing a double-digit growth of 10% as compared to previous year.
