

Greet & Meet with Hon'ble Dignitaries

Ahead of COP25 held in Spain, India was found to be the major economy "to be 2^o compatible" or truly on the path of climate protection initiatives. As can be seen through its efforts in all areas and boom in adoption of Renewable Energy, Swachhta initiatives and now e-Mobility and many more.

REIL is leaving no stone unturned when addressing to this huge issue and during the quarter too, we have taken important steps in all related areas of business.

The need today is also to focus on indigenous manufacturing, to become self-reliant and globally competitive. After EMAT, Somatic Cell Counter is another innovation in line with Make in India. REIL has now plans to upscale or induce new transformation in e-Mobility sector while addressing another major concern of skilling & upskilling the masses through its infrastructure REIL House.

Celebration of Vigilance Awareness Week is another big focus during the quarter.

I thank all the stakeholders for their time-to-time support & active involvement with REIL.

Gist of the Activities:

- Greet & Meet, IEI Award
- 150th Birth Anniversary of Mahatma-Celebrations
- Dividend Payout & Release of Newsletter, Product Innovation
- Business Highlights, VIP
- EV Charging Infrastructure
- Awards & Participations
- Staff Activities

Hon'ble Union Minister, Ministry of Heavy Industries & Public Enterprises, Shri Prakash Javadekar, being greeted by Dr. A. K. Jain, MD REIL.

He shared with dignitaries, the work done by REIL in Solar, Dairy Electronics, IT Solutions & e-Mobility.

Hon'ble Union Minister MoHI&PE, Shri Prakash Javadekar and Hon'ble C.M., Shri Ashok Gehlot appreciated the unique initiatives taken by REIL from time-to-time in line with government ambitious missions like FAME India, Swachh Bharat, National Solar Mission etc. on regular basis and sustainably performing over decades through product enhancements, cost reductions, market expansion, diversification, innovation, absorption of new technologies, skill upgradations, industrial relation and corporate governance.

Hon'ble Chief Minister of Rajasthan, Shri Ashok Gehlot, being greeted by Dr. A.K. Jain, MD REIL

Institute of Engineers India, Centenary Industry Excellence Award 2019

Shri Nitin Gadkari, Hon'ble Union Minister of Road Transport and Highways and MSME, presenting IEI Industry Excellence Award to Dr. A. K. Jain on 05.11.2019.

The prestigious award has been received for **demonstrating business excellence.**

While speaking on the occasion, Dr. Jain said that REIL has provided tools & services through innovation, so that every person, every organization is empowered.

150th Birth Anniversary of Mahatma Gandhi-Celebration @ REIL

Glimpse of activities undertaken at REIL during Mahatma Gandhi's 150th Birth Anniversary

Team REIL on occasion of celebration of 150th Birth Anniversary of Mahatma Gandhi

On the occasion of Mahatma Gandhi's 150th Birth Anniversary, team @REIL paid homage to him followed by flag off of cycle rally for awareness on Swachhta Hi Sewa Abhiyaan, Discontinuing use of Single Use Plastic (SUP) & e-mobility Mission under FAME Scheme of Ministry of Heavy Industries & Public Enterprises for safe & green environment. The cycle rally was flagged-off by Dr. A.K. Jain, MD REIL, Shri K. C. Meena, Chief Conservator of Forest, Shri Piyush Paliwal, Executive Director REIL and senior officials. The rally started from Jhalana Leopard Safari, Malviya Nagar where EV Charging infrastructure is setup by REIL and ended at the Company's new office "REIL House", Shipra Path, Mansarovar. **This cycle rally was enthusiastically participated by around 60 employees of REIL as well as 4 specially-abled students of an institute "Ahaan Foundation", Jaipur.**

On this occasion, Nukkad Natak was also performed by REIL Employees, on the theme "Swachhata Hi Seva Abhiyaan", which was appreciated by all the employees.

On this occasion, Dr. A.K. Jain shared the initiatives of the Company towards Swachhata Hi Seva Abhiyaan viz. Construction/renovation of Toilets, Installation of Wash Stations in government schools while educating the masses towards cleanliness drive. He also shared the active role of REIL under FAME India to aggressively take forward e-Mobility throughout the Country through setting-up of EV Charging infrastructure. He also appreciated all employees, and everyone who made the event big success.

REIL paid Dividend and released Quarterly Newsletter प्रगति Insights during its Board Meeting at REIL House

REIL continues to pay dividend to its shareholders and paid a dividend of Rs. 1.25 Crore to Government of India and Rs. 1.20 Crore to RIICO Ltd for the Financial Year 2018-19.

Dr. A. K. Jain, MD, REIL handed over the dividend payment of Rs. 1.20 Crore to MD, RIICO, Shri Ashutosh A.T. Pednekar, IAS during Board Meeting held at REIL House on 24.12.2019.

(Left to Right) Shri Rakesh Chopra, GM(E&IT) REIL, Shri Subhash Agrawal, CFO REIL, Dr. A. K. Jain, MD REIL, Shri Ashutosh A.T. Pednekar, MD RIICO, Shri M. L. Bhargava, Independent Director, REIL, Shri Ashok Pathak, FA, RIICO and Shri M. B. Mathur, GM(RE)

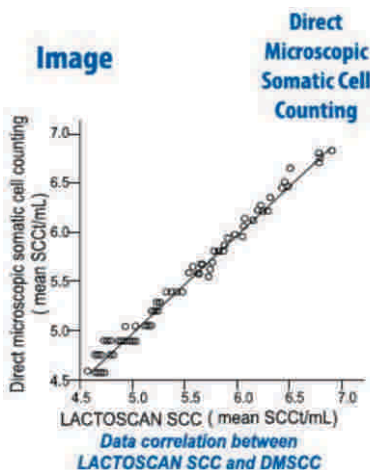

The Hindi version of प्रगति Insights the Quarterly Newsletter was released during the Board Meeting and was appreciated by the Chairman and Board of Directors.

Product Innovation : SOMATIC CELL COUNTER

Somatic Cell Counter is based on fluorescent microscopic technique for somatic cells count with automated microscope based on image cytometry with ultrafast precise liquid autofocus and cell counting software. The fluorescent dye, LED optics and CCD technologies takes pictures and analyses the somatic cells in the milk. It is precise, reliable and quick.

The instrument is accurate, easy to use, portable and low cost solution for instant analyses of somatic cells in the raw milk.

Features

- Simple in operation
- Accurate and reliable results
- Portable and compact design
- Low maintenance cost
- One-year full warranty
- Wi-fi fast autofocus device
- Analysis time < 1 minute
- Automated microscope based on image cytometry with ultrafast precise liquid autofocus and cell counting software
- Wireless keyboard and mouse
- Store unlimited number of records in the database
- Automatic software update and remote service
- Detection of yeast mastitis

Installation of Somatic Cell Counter at Verka Milk Union Punjab

Milk Collection operations at a Society in Punjab

Glimpse of the Strategy Meet on 16.11.2019

Business Highlights

Dairy Electronics

The Company is expanding its wings through regular upgradations and technological advancements as per customer's need. It has recently innovated the Advanced Data Processor Unit (DPU) that has additional features of 32 Bit processor, 4G, Wifi & Bluetooth. The Company has received order for 100 DPMCU's with this newly developed Advanced DPU from Mother Dairy, Amravati & Nanded. This initiative has business potential across the Country.

REIL continued to make efforts to bring transparency in the milk collection process through IoT and digital dairying and received orders for over 200 Automatic Milk Collection Systems (AMCU's) including 50 nos. from J&K for tough terrain areas; over 650 EMTs from Gujarat, Bangalore, Rajasthan & Central region; over 200 Milk Analyzers from milk unions of Rajasthan & Gujarat; over 130 DPMCU's and DPUs from Rajasthan and Central Region; and 90 SPV units for solarisation of DPMCU's in Rajasthan in an effort to make them self-sustainable.

REIL has been well addressing the another major concern to detect adulteration in milk and has received order of 27 EMAT+

from Gujarat & Central Region thus encouraging farmers to remain ethical and get empowered.

Under Hon'ble PM's Mission of National Animal Disease Control Programme, REIL have been awarded order of newly launched Somatic Cell Counter from Patiala Milk Union Punjab, that would aid in detection of mastitis disease hence will address the concern of dairy industry towards animal health and mastitis disease detection.

The Company believes aligning its business process with e-commerce and this time has uploaded its Dairy Solutions i.e. Somatic Cell Counter & Electronic Milk Adulteration Tester on GeM (Government e-Marketplace) portal that will facilitate customers to have more transparency, efficiency and security in procurement process. Introduction of these solutions online will combat Milk Adulteration & Cattle Health issues more efficiently and effectively.

Digitization-other initiatives

In line with IT initiatives, REIL has done post Examination activities for Rajasthan State Open School and processed results of over 66000 students; provided the services as State Level Agency to Election Department, Rajasthan for

formation of 52002 polling booths in Rajasthan; developed and implemented the web based solution for State Election Commission (SEC), Jaipur for voter list preparation for 49 Urban Local Bodies for General Election held in November 2019.

Customer Training Program

REIL is actively working towards Skill upgradation on a large Scale while maintaining high Standards. In this chain, the Company has trained 1534 nos. of regional workers and milk society secretaries that will be benefitting more than 700 villages in getting better services and livelihood.

Strategy Meet @ Southern Region

A Strategy Meet for Southern Region was organized for the first time by the Company on 16.11.2019 at Chennai.

With the lightening of lamp, MD REIL, Dr. A.K. Jain inaugurated the meet. GM(E), Shri Rakesh Chopra discussed the various challenges and business opportunities pertaining to southern region in length and breadth with the team.

Dr. Jain appreciated the efforts made by officials & also encouraged them to work with full dedication and enthusiasm to achieve business targets in the current financial year while maintaining healthy relationships with customers, channel partners and all stakeholders.

Renewable Energy

Under ambitious SAUBHAGYA Scheme to address the electricity needs of un-electrified households, the Company continued its efforts and lighted over 3300 houses by deployment of 200W SPV based LED Home Lighting systems in remotest villages and Dhanis in Churu, Sri Ganganagar, and Udaipur districts of Rajasthan.

Under Atal Jyoti Yojna (AJAY), Phase-II, a flagship project of Government of India, Company continued its efforts and over 4300 Street Lighting Systems have been supplied and are under installation in Himachal Pradesh, Madhya Pradesh, Bihar and Uttarakhand in remote areas to sustainably enhance the citizens' quality of life.

REIL, being nodal agency for Smart City Mission, shall take-up installation & commissioning of 1 MW SPV Power Plant on buildings of largest & prestigious SMS Medical College and Hospital, Jaipur that would save about 1,20,000 units per month.

In it's role as Expert CPSE & PMC to roll-out Rooftop Solar projects and on request of few ministries, REIL invited 2nd bid to develop 50 MW of grid-connected and small-scale solar projects on roofs of government Buildings/offices in various states and union territories under the Renewable Energy Service Company (RESCO) model. The tariff achieved through reverse bidding is lower than by other CPSE(s) and government players in most of the states including Rajasthan.

Under Rooftop Solar with net-metering, REIL to deploy 110 KWp on roofs of a government buildings and for Forest department Rajasthan.

Under PSU Synergy, regular work is being done and SPV Power Plants at 15 Government schools & SPV Street Lights will be deployed in Rajasthan.

SPV LED SLS installed at Gurudwara in Kapoorthala (Punjab) under PSU CSR

New Projects

In response to FAME, REIL has concluded the bidding process of 270 EV Chargers and the ordered price is much lower than other government/CPSE buyers. Under this project the golden triangle i.e. Jaipur-Delhi-Agra highway is being taken-up to install DC fast Charger powered by Solar of 30 KW capacity.

24 nos. of DC Fast Chargers EV Charging station have already been installed at some part of golden triangle and Mumbai-Pune Highway. The Company has also signed MoU with Bharat Petroleum Corporation Limited for installation of EV Charging Station at their retail outlets. MoU(s) with State Nodal agencies of Telangana, Gujarat, UP, MP etc. for implementation of EV Charging Infrastructure are also under progress.

A total of 9.81 Lakh PUC certificates have been generated through online CPUCC in this quarter taking the total generation to 71.10 Lakh since beginning.

DC fast Charger powered by Solar of 30 KW capacity at Rajasthan Rajpath Service Station, NH-08, Gurugram

VIP Gallery

Dr. Lalit K. Panwar, IAS (Retd.), Vice Chancellor, Rajasthan ILD Skills University (RISU) visited REIL House on 07.12.2019.

Dr. Lalit K. Panwar during his visit at REIL House

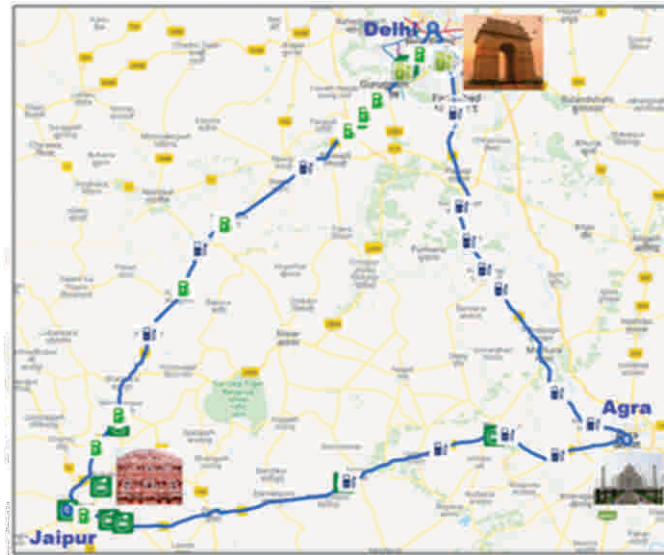

He took keen interest in the facilities created for Education & Training purposes.

Board Directors & other officials from Vijayawada Dairy visited REIL premises on 22.10.2019. They were briefed on Company's manufacturing facilities which they appreciated a lot.

EV Charging Infrastructure on Golden Triangle

THE PROJECT

Under FAME Scheme, REIL has been entrusted the responsibility for development of 270 Public EV Charging Infrastructure by Department of Heavy Industry, MOHI&PE, GoI in Six cities & Mumbai - Pune express way & Golden Triangle. **Golden Triangle is a most famous tourist circuit which connects the national capital Delhi, Agra & Jaipur.**

Details

- Distance : 732 Km
- EV Charger Grid : 35 Km
- No. Of Chargers : 42
- Type Of Chargers
 1. DC Fast : 38 (DC-001) (Suitable for Car)
 2. DC Fast 3-Gun : 4 (CCS, CHAdeMO, AC type 2) (Suitable for Bus & Car)
- Status
 1. Installed
 - In Phase 1 : 13
 - In Phase 2 : 11
 - With Solar : 2
 2. To be Installed : 16

The Golden Triangle is now a well-travelled route providing a good spectrum of the country's different landscapes. The circuit is about 732 km by road.

It is proposed to install solar powered 25 Solar powered DC fast and 4 DC Fast (CCS, CHAdeMo& AC Type 2) charging station on the golden triangle to make it India's first green electric Highway. Grid interactive Solar Power plant of 30 KW shall be installed at each charging station to cater its power requirement and the excess power shall be feed to the grid. The initiative is to provide a network of DC fast charging Station at every 35 Km on both the side of the highway enabling electric vehicle driver to make longer trip between the cities. Accordingly, 42 nos. of Charging station is proposed to be installed on the golden triangle in which 13 nos. of DC fast Charging station have been installed under Phase-1 and currently 13 nos. DC fast charging station have been installed including 2 nos. of solar powered.

TECHNOLOGY

Both the types of DC fast charging station are capable to charge 4 wheeler especially an electric car and DC Fast (CCS, CHAdeMo& AC Type 2) charging station can also charge electric buses. The DC Fast charging station is based on GB/T charging standard having capacity of 15 KW and DC Fast (CCS, CHAdeMo& AC Type 2) charging station is having three guns comprises of 50 KW each for CCS & CHAdeMo charging standard and 22 KW for Ac Type 2 makes 122 KW total capacity. The user can operate the charging station through REIL mobile application which is available on play store. The mobile application developed by REIL is available both for android and iOS platform. The user has to register himself on the mobile app while entering his credentials and account detail. The user is required to top up some minimum amount in his wallet and the charging fee will be deducted from the wallet after the completion of the charging.

EASY AND CONVENIENT CHARGING LOCATIONS

The charging stations have been installed at strategic locations such as at retail outlets of government owned oil marketing companies where Electric vehicle drivers can have refreshment or shop while charging up their vehicles at fueling stations. The fast charge technology allows drivers to re-charge mass-produced all-electric vehicles based on latest available charging standard. The four charging sites have CHAdeMo equipment compatible to charge e-vehicles with Japanese standard and also include Combo Charging System (CCS) fast charging equipment compatible with American and European standards.

ELECTRIC HIGHWAY BENEFITS

The green Electric Highway gives electric vehicle drivers "range confidence" that recharging is available if they plan an intercity trip. Knowing that charging is easy and convenient helps encourage residents and businesses to buy and drive plug-in electric vehicles. Increasing the market demand for electric vehicles helps reduce the transportation sector's impact upon the environment and dependency on fossil fuel. By setting the stage for the EV industry to thrive in a clean economy, the Electric Highway helps spur industry growth and new jobs.

Recognition & Awards

Best Employer Award 2018

The Company has been awarded "Best Employer Award-2018" by the Employers Association of Rajasthan for the 10th time in series.

The award was presented by Hon'ble Minister of Industry, Government of Rajasthan, Shri Parsadi Lal Meena to Dr. A. K. Jain, MD, REIL along with REIL officials and staff in a grand ceremony organized at Hotel Clark Amer.

The award has been conferred to REIL, for its continuous progress with its employees in the medium category, for the last 38 years.

Shri Parsadi Lal Meena, Hon'ble Minister of Industry, Government of Rajasthan presenting Best Employer Award to Dr. A.K. Jain & REIL Team on 15.11.2019.

In his address, Dr. Jain emphasized that every industry should strengthen its employee & employer relationships so that a good industrial environment can be created and the targets easily set can be met on time. He shared that REIL is committed to the social security, health and labour-welfare policies of its employees. Due to good industrial relations and positive thinking, the company is progressing positively and employees are always ready to work with their integrity and responsiveness.

Participation (from last quarter)

Inauguration of REIL's stall

REIL's stall at City Palace, Jaipur

Flagging-off of the Nite Marathon

Participants from REIL

REIL participated in "Jaipur by Nite" event organised by Confederation of Indian Industry (CII). During the event REIL showcased the EV charging Station, Solar Modules and other products on its stall at City Palace, which was inaugurated by Chief Secretary, Govt. of Rajasthan, Shri D. B. Gupta, Smt. Venu Gupta, IAS, Dr. A. K. Jain, MD, REIL and other dignitaries.

Dr. A. K. Jain shared the role of Mobility in the transport sector and tourism to have noiseless and pollution-less drive. On day two, he along with other dignitaries flagged-off the Nite Marathon which is the most happening event of the year by CII.

PARTICIPATIONS

Workshop on Power Electronics Converters in Grid Integration of RE sources

Dr. A.K. Jain, MD REIL as Chief Guest addressed at inaugural function of Short-term Course on " Power Electronics Converters in Grid Integration of Renewable Energy Sources" at MNIT, Jaipur on 27.12.2019. He enlightened the programme through his useful insights on Smart Power Electronics & Grid Integration with RE sources, need for focused approach for Make in India, Govt schemes & Industry role in Making farmers independent and self-reliant through energy independence and now e-Mobility. Further he stressed upon the critical need for Industry- Academia interface and these initiatives will bridge the Industry-Academia gaps and will make students industry-ready. He suggested MNIT to go completely EV by 2025 and ensured full support from REIL.

3rd Annual conference on E-mobility and Charging Infrastructure

Dr. A.K. Jain, MD REIL chaired a special session on Industry Perspective on policy direction, market prospects and potential challenges during the 3rd Annual conference on E-mobility and Charging Infrastructure organized by India Infrastructure Publisher at New Delhi on 09.12.2019. He shared his insights on key challenges in the integration of e-mobility while sharing the experience of REIL in pilot projects of the EV chargers. He said that policymakers and industry may work in collaborative manner to address the teething issues around charging infrastructure and local manufacturing.

Seminar on World Standards Day 2019

Dr. A. K. JAIN, MD REIL as Chief Guest lightened the lamp and delivered keynote address during the seminar on World Standards day 2019, themed on "Video Standards create a global stage" organized by Bureau of Indian Standards (BIS) at Jaipur on 16.10.2019. He shared his views on the importance of standards for quality gadgets that helps in keeping environment pollution free. While sharing the contribution of REIL in the field of milk quality improvement, EV charging and renewable energy he also highlighted the road map for BIS including 'One Nation One Standard', and standards for manufacturing and quality.

Student Solar Ambassador Workshop

Dr. A. K Jain, MD REIL as chief guest delivered keynote address during the inaugural ceremony of Gandhi Global Solar Yatra in Student Solar Ambassador (SSA) Workshop organized by IEEE Student Branch Poornima College of Engineering & IEEE Rajasthan Sub Section on the occasion of 150th Anniversary of Mahatma Gandhiji at Poornima College of Engineering, Jaipur on 02.10.2019. He encouraged the students & professors to develop an industry focus atmosphere to take up live projects, assembling, internships enabling them to constantly interact with industry and corporate bodies. In the workshop, Students showcased Solar Lamps assembled by them with the help of their skills, Professors and associate Industry.

National Workshop on Women Leadership in Disaster Management

Dr. A. K Jain, MD REIL delivered keynote address during the National Workshop on Women Leadership in Disaster Management and Award ceremony organized by SafetyProfessionals Association of India (SPAI) at Jaipur on 02.10.2019. He shared his views on role played by women in disaster management and stressed on to identify the barriers that prevent their role in decision making, governance and any Disaster management efforts as more than 50% of the victims in past disasters were women. Awards were also presented to the participants by MD REIL during the workshop.

Founder's Day Celebrations of TVS Electronics

Dr. A. K Jain, MD REIL as chief guest delivered keynote address during the event on Founder's Day Celebrations of TVS Electronics at Chennai on 16.11.2019. He shared the journey of REIL while shaping the business and the vision & mission to work for the grass root people and urged innovators and implementing organization such as TVS electronics to be driven by a focused attitude and strategical approach to scale up a notch every time and stressed on maintaining healthy relationship with the grassroots clients for growth of organizations and nation as a whole.

स्टाफ गतिविधियां

प्रशिक्षण

तिमाही के दौरान विभिन्न डोमेन पर आंतरिक और बाहरी स्तर पर कम्पनी कर्मचारियों के लिए कुल 16 प्रशिक्षण कार्य दिवस आयोजित किए गए। इस दौरान Women Leadership in Disaster Management, National Workshop on "Succession Planning for Board Level Positions", GeM Portal (Government e-Market Place) & National Conference by ICAI इत्यादि विषयों पर कम्पनी कर्मचारियों को प्रशिक्षण दिया गया।

पदोन्नति

01.10.2019 को निम्नलिखित कर्मचारियों को पदोन्नती दी गई।

- श्री लक्ष्मी लाल सुथार, श्री अविनाश कुमार यादव, श्री दिनेश कुमार तोगड़िया एवं श्री राजेश पारीक प्रबंधक के पद पर
- श्री आशीष रावत उप. प्रबंधक के पद पर
- श्री हरीश यादव वरिष्ठ अभियंता के पद पर
- श्री वीरेंद्र सिंह नारंग एवं श्री जितेंद्र कुमार सोनी अभियंता के पद पर
- श्री मधु सुदन रन्तु एवं श्री प्रेम शंकर सालवी अधिकार के पद पर

कंपनी उन्हें बधाई एवं उनके करियर में निरंतर सफलताओं के लिए शुभकामनाएं देती है।

नए संयोजन

इस तिमाही के दौरान निम्नलिखित हमारी कंपनी से जुड़े –

- श्रीमती श्वेता जैन, तकनीकी सहायक
- श्री दिनेश सिंह, तकनीशियन
- श्री अर्पित गुप्ता, वरिष्ठ अभियंता

कंपनी उनका रील परिवार में स्वागत करती है तथा आशा करती है कि वो अपना कार्य ईमानदारी, लगन व परिश्रम से करेंगे एवं कंपनी में एक सशक्त भागीदार बनेंगे।

संविधान दिवस

26.11.2019 को कंपनी परिसर में भारतीय संविधान दिवस का आयोजन किया गया। इस अवसर पर प्रबन्ध निदेशक डॉ. ए. के. जैन ने प्रातः 11.00 बजे समस्त कर्मचारियों के समक्ष संविधान की प्रस्तावना को पढ़ा, जिसका सभी कर्मचारियों द्वारा अनुसरण किया गया। इस अवसर पर उन्होंने सभी कर्मचारियों को शुभकामनाएं भी दीं। डॉ. जैन ने बताया कि संविधान मनाने का उद्देश्य इसके महत्व का प्रसार करना है। भारतीय संविधान की सफलता का मूल आधार संविधान सभा में भारतीय समाज के हर छोटे बड़े वर्गों को प्रतिनिधित्व देने की कोशिश करना है। भारतीय संविधान देश के प्रत्येक नागरिक को मौलिक अधिकार प्रदान करता है साथ ही उनके मूल कर्तव्यों की व्याख्या करता है। संविधान साधारणतया नियमों, कानूनों और विनियमों का एक ऐसा संग्रह है जो किसी भी देश के प्रशासन का मार्गदर्शन करता है जिसके द्वारा राजनीतिक प्रक्रियाओं, सिद्धांतों और आमजन की भूमिका के लिए रूपरेखा और दिशानिर्देश प्रदान किए जाते हैं।

संविधान दिवस की 70वीं वर्षगांठ पर कंपनी मुख्यालय के साथ-साथ सभी क्षेत्रीय कार्यालयों में विभिन्न प्रकार के कार्यक्रम जैसे वाद-विवाद प्रतियोगिता एवं परस्पर संवादात्मक चर्चा सत्र का आयोजन किया गया जिसमें कर्मचारियों ने उत्साहपूर्वक भाग लिया।

सतर्कता जागरूकता सप्ताह (28.10.2019 से 02.11.2019)

कम्पनी परिसर में केन्द्रीय सतर्कता आयोग की पहल पर "ईमानदारी-एक जीवन शैली" विषय पर आधारित सतर्कता जागरूकता सप्ताह 28.10.2019 से 02.11.2019 मनाया गया। सतर्कता जागरूकता सप्ताह की शुरुआत रील के प्रबन्ध निदेशक डॉ. ए. के. जैन के सम्बोधन एवं सभी कर्मचारियों को सत्यनिष्ठा प्रतिज्ञा दिलाने के साथ हुई। कम्पनी कर्मचारियों एवं कम्पनी परिसर के नजदीक के विद्यालयों में कार्यक्रम के विषय पर आधारित वाद-विवाद एवं निबन्ध प्रतियोगिताओं, सत्यनिष्ठा समूह बनाने की अपील, हिन्दी एवं अंग्रेजी में निबन्ध, नारा प्रतियोगिताओं एवं ग्राम सभाओं का आयोजन किया गया। इस अवसर पर देश के गणमान्य व्यक्तियों जैसे माननीय राष्ट्रपति, उपराष्ट्रपति, केन्द्रीय राज्य मंत्री एवं मुख्य सतर्कता आयुक्त के संदेशों को समस्त सतर्कता आयुक्त के संदेशों को समस्त कर्मचारियों के समक्ष पढ़ा गया। सभी विक्रेताओं, उप-ठेकेदारों, सेवा प्रदाताओं एवं ग्राहकों को ई-मेल द्वारा शपथ की सूचना का प्रचार प्रसार करने हेतु एक जागरूकता अभियान चलाया गया। इस दौरान श्री एम. एल. भार्गव, स्वतंत्र निदेशक, रील के सम्बोधन में कम्पनी के कर्मचारियों के लिए कार्यशाला का आयोजन किया गया, उन्होंने भ्रष्टाचार पर अपने अनुभवों एवं भ्रष्टाचार उन्मूलन के उपायों को साझा किया और इससे व्यक्तिगत एवं समाज पर पड़ने वाले प्रतिकूल प्रभावों को भी साझा किया तथा भ्रष्टाचार को रोकने में प्रौद्योगिकी अनुप्रयोगों के बारे में भी बताया। कम्पनी कर्मचारियों द्वारा सतर्कता जागरूकता को ध्यान में रखते हुए नुक्कड़ नाटक की रोचक प्रस्तुति दी गयी। इस कार्यक्रम पर जागरूकता लाने हेतु सम्पूर्ण संस्थान में बैनरो का प्रदर्शन भी किया गया।

सतर्कता जागरूकता सप्ताह के आयोजन के दौरान दिनांक 31.10.2019 को उपक्रम के हितधारकों के लिए एक कार्यशाला का आयोजन किया गया जिसमें 25 से अधिक संस्थानों के प्रतिनिधियों ने भाग लिया।

सतर्कता जागरूकता सप्ताह के तहत विभिन्न गतिविधियाँ

शपथ समारोह

जागरूकता हेतु बैनर

परिसर में कर्मचारियों द्वारा नुक्कड़ नाटक

दुग्ध उत्पादक सहकारी समिति लि. हनुमानपुर

दुग्ध उत्पादक सहकारी समिति लि. हनुमानपुर

जागरूकता फैलाने हेतु ग्राम सभाओं का आयोजन

प्रबन्ध निदेशक डॉ. ए. के. जैन ने कम्पनी के समस्त सप्लायर्स, सब-कॉन्ट्रैक्टर एवं सर्विस प्रोवाइडर्स को सत्यनिष्ठा की शपथ दिलाने के साथ आवाहन किया कि हम किस तरह ईमानदारी को अपनी जीवन शैली का अहम हिस्सा बनाते हुये अपने परिवार, व्यावसायिक संस्थान, राज्य तथा देश को आगे बढ़ाने में सक्रिय भागीदार हो सकते हैं। कार्यशाला में उपस्थित सभी

हितधारकों ने रील के साथ जुड़ कर संगठन, समाज और देश के विकास में सकारात्मक योगदान देने हेतु अपनी प्रतिबद्धता व्यक्त की।

सतर्कता जागरूकता सप्ताह सभी कर्मचारियों एवं सभी हितधारकों के पूरे उत्साह, सहभागिता एवं समर्थन के साथ मनाया गया।

सतर्कता जागरूकता सप्ताह के दौरान श्री अशोक माहेश्वरी, मुख्य सतर्कता अधिकारी द्वारा कम्पनी के कर्मचारियों को भ्रष्टाचार के कारण, उनके प्रकार व निवारण के सम्बन्ध में जानकारी दी गई व सभी से जागरूक रहकर भ्रष्टाचार उन्मूलन का आवाहन किया गया।
