

MD Desk

REIL's mission and vision has always been dedicated to ensure Customer Satisfaction, we have worked as a team and find out ways even in toughest situations. So at this critical time of pandemic COVID19, need of an hour is to think and act accordingly.

I am sure, with these precautionary measures, we together will be able to win over this turbulent times and emerge stronger than ever.

I would like to appreciate the efforts of our warriors at field who continued to work during the lockdown so that our products and solutions reaches the masses.

It is my sincere hope that our actions and communications regarding COVID-19 allow our employees and stakeholders to feel fully supported and confident throughout this situation.

As I have joined the baton of this great organization, my utmost focus is now to help it grow multifold in the coming years...

Welcoming Shri Rakesh Chopra as Managing Director REIL

**Shri Rakesh Chopra
Managing Director, REIL**

Shri Rakesh Chopra assumed the charge of Managing Director of REIL w.e.f 01.04.2020.

He started his career in REIL as Engineer Trainee in the year 1986. Prior to taking over as MD, he was senior most General Manager and was looking for Electronics & Information Technology. During the last 34 years he contributed a lot in the progress of the Company by his dedicated and committed hard work in various capacities in departments like Research & Development, Marketing, Material Management and Information Technology, before reaching to the post of Managing Director at REIL.

On this occasion, Shri Chopra thanked REIL employees and other stakeholders for their wishes & ensured continuous growth of the Company with their continual support. We would like to extend a very warm welcome to him in his new role and looking forward to work under his abled leadership and invaluable guidance.

Inauguration of REIL's newly setup ELECTRONICS MILK ANALYZER PRODUCTION LINE under "Make in India"

(from R to L) Shri Atul Chaturvedi, Secretary, Department of Animal Husbandry and Dairying, Shri A. K. Jain, the then MD REIL, Shri Piyush Paliwal, ED REIL, Shri Rakesh Chopra, the then GM (E&T), REIL, Ms. Maria Arbova & Mr. Petko Arbova, Officers of Milkotronics Ltd. Bulgaria

Electronic Milk Analyzer Manufacturing Line was inaugurated by Shri Atul Chaturvedi (IAS), Secretary, Department of Animal Husbandry and Dairying, Government of India on 20.02.2020 at factory premises. Dr. A. K. Jain, the then Managing Director REIL, welcomed the Honorable Secretary and apprised him about various equipment of the Company in the Dairy Industry such as Electronics Milk Tester, Automatic Milk Collection Station, Ultrasonic Milk Analyzer, Solar Energy, Dairy and Information Technology as well as about other departments and functions of the Company in various fields.

The Secretary appreciated the innovations being made in the areas of Dairy, Solar Energy and e-Mobility by REIL and contribution in the development of the Nation and upliftment of rural masses as a whole.

This is one of the world's largest EMA manufacturing plant spread over the area of 2200 square feet with ultra-modern testing facilities.

Excellent MoU Rating for FY 2018-19

The Department of Public Enterprises, Government of India has awarded “Excellent” MoU rating for overall performance in the year 2018-19 to the Company.

The Company has received “Excellent” rating on achieving the MoU targets which were set covering various parameters with regards to financial as well as non-financial areas such as Turnover, Profitability, Research & Development, Human Resource Development, R & D, Production etc.

It is also matter of pride that REIL is amongst few companies who have been awarded excellent rating.

Memorandum of Understanding (MoUs) inked by REIL on the objective of promoting e-mobility

MoU signed in between REIL & TSREDCO (a nodal agency for developing EV Charging Infrastructure in the state of Telangana)

Under its consistent initiatives to promote e-mobility, REIL has entered into an agreement with Telangana State Renewable Energy Development Corporation (TSREDCO) covering cities Hyderabad, Karimnagar and Warangal; Bangalore Electricity Supply Company Limited (BESCOM) covering cities Bengaluru and Mengaluru, Uttar Pradesh Expressways Industrial Development Authority (UPEIDA) covering cities Jhansi, Kanpur, Lucknow, Varanasi, Allahabad, Aligarh, Saharanpur and Bareilly; New & Renewable Energy Development Corporation of Andhra Pradesh (NREDCAP) covering cities Vijayawada, Kakinada and Tirupati for creating Electric Vehicle (EV) Charging Infrastructure in these states under the FAME Scheme of Ministry of Heavy Industries and Public Enterprises, GoI.

This prestigious award is instituted by Shri Adhikari Brothers SAB-TV Group to honor the Public Sector Enterprises doing excellent work in various categories.

Business Highlights

Dairy Electronics

The Company's dairy products are committed to bring transparency in the milk collection process and ease the entire process for farmers through IoT and digital dairying. It is dedicated to provide services even in toughest situations and continued to find out the need hence acquired major orders for over 1000 nos. of Data Processor Milk Collection Unit from various milk unions of Northern Region & Rajasthan; over 250 DPEMT based DPMCU received from Punjab; over 350 nos. Automatic Milk Collection Systems (AMCUs) from Gujarat, Rajasthan and North region; over 1000 EMTs, Auto EMTs and Advance DPUs from milk union and Producer Companies of Rajasthan, Gujarat and Southern Region and 39 RMRD systems from various milk unions of Rajasthan & Punjab. The orders for recently innovated **Advanced DPMCU for 1000 nos.** have also been received from Milk unions of Rajasthan, Punjab and Gujarat. **Milk adulteration** is yet another challenge for **Indian Dairy Industry** for which Company is

Milk Collection at a Milk Union in Punjab

making profound efforts to provide adulterants free milk and have received orders of **63 EMAT+** from milk unions of Gujarat, Central Region and Uttar Pradesh.

By such innovations, Dairying has become an important source of income for millions of rural families. In line with Hon'ble Prime Minister's vision of Doubling the Farmers' Income, Company is making persistent efforts and providing combination of technology i.e. SPV based DPMCU/AMCU to save their electricity bills along with GPRS unit to ensure transparency, resulting in fast & fair payment to farmers hence helping achieve the vision.

Digitization-other initiatives

In line with IT initiatives, REIL has done post Examination activities for Rajasthan State Open School and processed results of over 66000 students; provided the services as State Level Agency to Election Department, Rajasthan for 4.88 Cr electors in 200 Assembly Constituencies of Rajasthan; completed electoral roll publication for 9429 Gram Panchayats and managed election statistics for General Elections for 7711 Gram Panchayats and Panchayat Samities. Regular orders for digitization of dairy applications at field such as Milknet Software, integration of DPU pendrive with IMMS software and; AMC of Pashu Aushad Software.

Customer Training Program

For end-to-end support services to our valued customers, REIL has trained 2049 nos. of regional workers and milk society secretaries that will be benefitting more than 950 villages in getting better services and livelihood.

Renewable Energy

Under Atal Jyoti Yojna (AJAY), Phase-II, a flagship project of Government of India, over 2300 Street Lighting Systems have been supplied and are under installation in Bihar, Uttaranchal, Madhya Pradesh and Himachal Pradesh in remote areas covering major roads, markets, and public conveniences to sustainably enhance the citizens' quality of life.

REIL, being nodal agency for Smart City Mission, has signed tri-party agreement with various organizations for installation & Commissioning of Rooftop SPV Power Plants totaling to 700 KW at Reserve Police Line, Jaipur and various hospitals.

Under achievement-linked incentive scheme of MNRE, the Company shall take-up the installation & Commissioning of Rooftop Grid-Connected SPV Power Plants of total capacity @1MW at various Government buildings against the prestigious order from Solar Energy Corporation of India Limited (SECI). As against the recent order from EESL for Installation & commissioning of 3.5 MW Ground Mounted SPV Power Plant at various

657kWp Ground Mounted SPV Power Plant installed at Nimboni, Solapur (Maharashtra) under EESL Project

Grid Substations in Solapur district, Maharashtra, 1.154 MW Ground Mounted SPV Power Plant at Nimboni MSEB Grid Sub-Station & Karkamb MSEB Grid Sub-Station, Maharashtra have been completed and installation of 800 KW is in process.

Under PSU CSR, the customers continued to show faith in the Company for execution of their CSR projects. For fulfilling the CSR responsibilities of PFC, MoUs have been signed for setting up SPV Power Plants of 285 KW at building of ISKON temple in Delhi and campuses of ASHA Schools across the Country while 500 SPV Street Lighting Systems are under installation in Uttar Pradesh.

REIL officers signing MoU with officers of PFC for implementation of CSR project

The Company has released Letter of Award (LoA) of 50 MW under Project Management Consultant (PMC) mode, for installation of Grid connected Solar Power projects at government buildings across the country in line with MNRE guideline under National Solar Mission.

New Projects

A total of 8.47 Lakh Pollution Under Control (PUC) certificates have been generated through online CPUCC in this quarter taking the total generation to 79.57 Lakh since beginning.

Activities @ REIL House
