**Shri Arun Goel being briefed by Shri Rakesh Chopra, MD REIL on 13.12.2020**

**Tree Plantation during his visit to REIL works**

Shri Arun Goel, Secretary, Department of Heavy Industry (DHI), Ministry of Heavy Industries and Public Enterprises, Government of India visited the REIL premises on 13.12.2020. Shri Rakesh Chopra, Managing Director, REIL welcomed the Secretary and apprised him about REIL's vast product range & solutions in Dairy Sector, significant projects in Solar Energy, Information Technology solutions and newly diversified areas like e-mobility, Security Surveillance wherein REIL is handling the key projects while sharing the functioning of other departments in various fields of the Company as well.

Secretary, DHI, appreciated the significant contributions of REIL in Country's development particularly in rural areas. He said that in today's challenge of environment conservation, REIL is contributing by way of renewables and they are capable of multiplying manifold with a vision, dedication & commitment.

While complementing the efforts, he showed a faith in Company to achieve the goals in the prevailing impact of COVID-19 situation and wished for bright future of the Company. On this occasion, Secretary also planted a tree in the Company premises.

## Business Highlights

### Dairy Electronics

REIL has been since beginning and now working towards incorporating extreme transparency in dairy and hence aiming towards corruption free dairying by regularly upgrading and innovating its solutions. In this chain, major orders of over 600 Advance DPMCU's have been received from milk unions of Rajasthan and Uttarakhand covering major order from Uttarakhand CMPF that will impact over 600 milk societies. Alongside, REIL has received the orders for 256 DPMCU's from the Central Region and Southern Region; Orders for 112 AMCU's from milk unions of Punjab and Rajasthan; 32 Auto EMT's from North Zone, South Zone and Gujarat; Regular orders for 1050 Milk Analyzers from Uttarakhand, Central Region, Gujarat, Rajasthan and Southern Region; and 44 EMT's from Central and Gujarat Region.

In continuation to incorporating food safety and hygiene in dairying, REIL shall deploy EMAT, each at North and South Region.

For its continual efforts towards integrating Solar in dairy, Company has received orders for 20 nos. Street Lighting Systems to be deployed in Bihar.

### Digitization-other initiatives

Digitization in dairy is making things easier for producers as well consumers. Newly designed and developed **Milk Producers Mobile Application** on android platform is ordered by esteemed Milk Producers Companies (MPC) like Baani, Shreeja, Sakhhi, Asha, Ruhani, Saahaj etc. and orders are lined-up for other MPC's, Milk Unions and

**Demonstration of EMAT+ to Hon'ble Minister Shri Prem Singh Patel on 21.12.2020**

private parties. As of now over 3 lakh farmers are registered on server and over 1 lakh are using the application and 6.5 lakh milk producers are registered on these 9 MPC's.

IT division has successfully designed, developed and implemented the "**Digitization Indexing Software (DIS)**" and digitization of the Appropriation and Finance Accounts of Rajasthan against order received from Accounts General, Rajasthan for digitization of books and application software, division and received another order from Jaipur Nagar Nigam, Heritage for setting-up Video Conferencing System which is need of an hour in the pandemic situation. The Division has supplied and executed the project successfully.

### Customer Training Program
